

IN CASE OF A SEWER BACKUP IN YOUR HOME

FOLLOW THESE SIX STEPS:

- 1. Turn off sinks, showers, dishwashers, washing machines, toilets, or other sources of water through your lines**
- 2. Call ServPro – (303) 494-2000 – or other contractor to perform water extraction within your home**
- 3. Call DES Pipeline Services – (303) 475-5493 – to check for any blockage in the District’s main lines**
- 4. Call a drain/sewer service company to check and clear your drain lines out to the main sewer line in the street**
- 5. Contact your insurance company**
- 6. Notify a board member that you have experienced a backup**

**FOR ADDITIONAL DETAILS AND CONTACT INFORMATION,
REFER TO THE DISTRICT’S WEBSITE:**
